## REPUBLICAN ORGANS.

One can best judge of a party by the character and capacity of its party organs. In the State of Nevada fourteen of its leading newspapers advocate the cause of the Silver party. Five miserable, mercenary, time saving sheets are left which pipe the lay of monometalism in this State.

The Enterprise, a journal whose itch for falsification and cowardly innuendo goes hand in hand with its lack of ability and decency.

Then comes the Reno Gazette, the only paper in Nevada that ever went through a campaign supporting different candidates on opposing tickets. It is the yelping, barking, howling coyote of Nevada Journalism, snapping at travelers along the highway, and slinking back in the sagebrush whenever one shows signs of being annoyed. The third paper is a White Pine county sheet whose name we have forgotten.

The other organ is the News and Tribune of this city. The twilight edition being too weak to be of any use to the party, it was supplemented by a morning appendix every time the sun-down editor of the Tribune opens its mouth, it gives the other side a splendid text, and the vindictive clamoring of the early-dawn publication at General Jones, is fast rolling up votes for him.

If the Silver Central Committee don't send the News-Tribune a check for a handsome amount after the campaign is over, it will show a lack of gratitude which will merit the execration of all fair minded people.

## Endorsed the Appeal.

Yesterday Justice Hawthorne refused to register M. Jacobs on the ground that his family does not live in the State. Mr Jacobs is a man who has done business in this State nineteen years, but keeps his family in San Francisco. Register Hawthorne was right in his decision, as the law is quite plain on that score.

Judge Rising is exactly in the same position regarding his right to register as Mr. Jacobs. Neither are entitled to registration in this State. This is sauce for both goose and gander.

## One on Woodbury.

TO THE EDITOR OF THE APPEAL:—I notice that you charge Mr. Woodbury, Republican candidate for County Commissioner, with having his printing done in Virginia City. Ask him if he does not also buy his beef there, or at least most of it.

## A New Railroad.

Articles of incorporation of the Los Angeles, San Francisco and Salt Lake Railway Company have been filed at Los Angeles, the capital stock being \$12,000,000. The road is to run from Los Angeles toward Salt Lake, Utah.

## EDITORIAL NOTES.

Senator LaGrave in a short speech last evening, called the attention of the audience to the fact that the present State officials were violating the law which prohibited the purchase of supplies for the State in California. He pledged himself to obey the law when elected. LaGrave deserves the heaviest majority on this ticket. The men who have been for years drawing salaries from Nevada taxpayers, and purchasing St. supplies in California will not go on after Jan. 1st.

Mr. Kersey's explanation for assessing the \$16,000 Odd Fellows

Building for just 10 per cent of its value is not borne out by the facts. He says that such institutions are exempt to the extent of \$5,000. If there is any such law the tax-payers would like to see it.

Hon. T. B. Rickey, while in Reno declared that the Silver question was all nonsense and humbug. Mr. Rickey looks at Silver remonetization from a Republican stand-point and not being a candidate expresses the candid opinion of himself and his party.
